Food Safety Plan on premise. Not up to date and disorganized. Temperature logs need to be added for the 2 freezers (upright and walk in), the walk in cooler and the milk cooler. Log temps daily.

The warewashing sink hot water faucet is broken and a work order is already placed.

Dishwasher 172F - Pass

In the rear kitchen not used by the kitchen staff there is a large amount of unused food, buckets of grease, dirty sinks with food debris and an open container of moldy queso sauce. Have someone disposed of the non-school food and clean the kitchen and reorganize it so it does not attract rodents and insects.
